## Product Guide Specification

Specifier Notes: This product guide specification is written according to the Construction Specifications Institute (CSI) 3-Part Format, including *MasterFormat*, *SectionFormat*, and *PageFormat*.

The section must be carefully reviewed and edited by the Landscape Architect to meet the requirements of the project and local building code. Coordinate this section with other specification sections and the Drawings. Delete all "Specifier Notes" after editing this section.

## SECTION 26 56 26

### LOW VOLTAGE LIGHTING

Specifier Notes: This section covers Unique Lighting Odyssey Fixtures using *Flex Series*™ LED lamps. Consult Unique Lighting Systems for assistance in editing this section for the specific application.
