SNOWFLOW

A NEW TOOL FOR PARKING LOTS

- ⊗ Expand plowing potential with expandable wings that extend at the touch of a button from 8 feet to 10 feet quickly and efficiently.
- ⊗ Fixed forward wings provide superior snow carrying and windrowing capabilities.
- ⊗ Designed for 3/4 ton & 1 ton trucks.
- ⊗ Equipped standard with SL3 L.E.D. Headlight system with up to 2x the light output compared to traditional halogen lights, 8-10 years of life expectancy and BOSS' exclusive Ice Shield Technology to prevent ice buildup.
- ⊗ Utilizes the BOSS RT3 Standard undercarriage system for quick attachment and versatility to switch between any trucks in your fleet. (Note: Excludes Sport Duty/HTX/Heavy-Duty Plows).
- ⊗ Full Trip Design protects the truck and plow from damage when obstacles are encountered.
- ⊗ Standard curb guards to protect the plow from damage, when plowing up against curbs.
- ⊗ Simple, innovative design and easy accessibility for repairs or maintenance.
- ⊗ Ideal for parking lots and wide open spaces.
