Shipping FAQs

What if I want to get my items faster?

You can select a different shipping speed by selecting Ground, 2nd Day Air or Next-Day Air on the shipping page during checkout. Please note that changing your shipping speed to a faster method improves your estimated delivery date but does not necessarily improve the estimated shipping date. Orders may arrive in multiple shipments.

If I request next-day shipping, will I get my order the next day?

We try to ship all orders within 24 hours from when ShopBOSS receives them. Next-Day Air and 2nd Day Air will ship within that timeframe, Monday-Friday. There are no weekend pick up or delivery for any shipping speed. Orders may arrive in multiple shipments.

Inclement Weather Policy

We are not responsible for delivery delays due to inclement weather or other acts of nature and therefore will NOT reimburse shipping charges for these types of delays.
