PROFESSIONAL TRADE WARRANTY

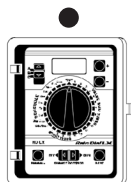

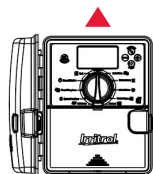

For the first year, from the date of original sale to the trade customer, Irritrol® offers “hassle-free” over-the-counter exchange of products found to have original manufacturing defects through our network of Pro Only distributors. For years two through five from the date of original sale to the trade customer, we offer repair or replacement—at our option, and without charge—of all parts which are found to have original manufacturing defects. The product must be returned to the original place of purchase or sent to the Irritrol repair facility.

PROFESSIONAL TRADE WARRANTY

For half a century, irrigation professionals have trusted the Irritrol® brand to perform season after season, and we understand that you put your reputation on the line with every installation. That's why we are willing to stand behind the entire line of Irritrol® products for a full 5 years after installation. So install with the assurance that you're backed by a company as reliable as the products it sells.

HALF A CENTURY IN BUSINESS, COUNTLESS RELATIONSHIPS, WE THANK YOU.

In 2017, Irritrol® celebrated 50 years of service to the irrigation industry. First and foremost, that means 50 years of partnerships with people like you. From the original 205 valve to the SMRT Logic® Internet Gateway, Richdel® R Series to Rain Dial®-R and everything in between, it is the influence of people like you that sparks innovation, drives quality improvement and keeps us relevant in a very competitive space. In short, **our partnerships define our legacy.** This principle affirms our core decision to stay out of big box retail / DIY channels yesterday, today and tomorrow. It justifies our decision to maintain original valve and repair kit designs for backward compatibility to day one. It motivates us to deliver on a promise and innovate for a purpose.
