1" Anti-Siphon Valve  
**L7010**  
(3/4" model L7034)

### 3/4" and 1" Anti-Siphon Valves

#### Features

- Built-in atmospheric backflow preventer protects household water supply from possible contamination.
- Flow control allows for precise adjustment after installation.
- Manual internal/external bleed.
- Thread connection.
- Double-beaded diaphragm.

1" Manual  
Anti-Siphon Valve  
**L4010**  
(3/4" model L4034)

### 3/4" and 1" Manual Anti-Siphon Valves

#### Features

- Built-in atmospheric backflow preventer protects household water supply from possible contamination.
- Manually activates zone sprinklers with twist of handle.
- Thread connection.

RJ by Lawn Genie  
3/4" Anti-Siphon Valve  
**54000**

### 3/4" Anti-Siphon Valve

#### Features

- 3/4" female-threaded anti-siphon valve with flow control.
- Built-in atmospheric backflow preventer protects household water supply from possible contamination.
- Safe low-voltage solenoid provides long-lasting service.
- Flow control allows for precise adjustment after installation.
- Manual external bleed allows for operation without electrical power.
- Double-beaded diaphragm.
- Self-aligning bonnet.
- 18" solenoid lead wires for easy access and installation.

Previously RJ711

1" In-Line Valve  
**54004**

### 1" In-Line Valve

#### Features

- Optimum performance in potable and dirty water applications when used with a separate backflow preventer.
- Double-beaded diaphragm ensures long life and low maintenance.
- Smooth flow-through design.
- Self-aligning bonnet.
- Thread connection.

RJ by Lawn Genie  
3/4" In-line Valve  
**54048**

### 3/4" In-Line Valve

#### Features

- Female-threaded in-line valve
- Smooth flow-through design resists clogging.
- Manual external bleed allows for operation without electrical power.
- Double-beaded diaphragm ensures long life and low maintenance.
- Self-aligning bonnet.
- 18" solenoid lead wires for easy access and installation.

3/4" Valve Adapter  
for Brass Valves  
**L1034**  
(1" model L1010)

## 3/4" and 1" Valve Adapters for Brass Valves

### Features

- Converts manual anti-siphon valves to automatic operation.
- Flow control allows for precise adjustment after installation.
- Manual internal/external bleed.

3/4" Valve Adapter  
for Plastic Valves  
**L2034**  
(1" model L2010)

## 3/4" and 1" Valve Adapters for Plastic Valves

### Features

- Converts manual anti-siphon valves to automatic operation.
- Flow control allows for precise adjustment after installation.
- Manual internal/external bleed.
