Blue Stripe® Oval Hose and Layflat Connections

Micro-Irrigation

Application:

Poux premium PVC insert fittings for layflat and oval hose applications are manufactured in the USA using premium materials to ensure high-performance, quality, and longevity. These precise, fabricated fittings are designed to work with both Toro layflat and Blue Stripe® Oval Hose. Sharp barbs ensure the most secure connection possible, preventing leakage or slippage during operation.

Features and Benefits:

- Premium fittings ensure secure connections with Blue Stripe® Oval Hose or layflat hose for water transfer, sub-main, and main lines.
- Standard sizes include 2.0" to 8.0" to ensure convenience and efficiency. Other sizes available upon request with minimum quantity runs.
- Insert couplings, spigot adapters (male connection), slip adapters (female connection), and reducers are stocked items. Tees, elbows and all other applicable fittings available upon request.
- Specially engineered barbs sink deep into tubing walls to ensure the strongest possible bond with no slippage.
- Proprietary manufacturing process ensures premium performance and reliability.
- Easy to install, reducing both time and cost of installation.
- Available in both Schedule 40 and 80 PVC.
