# Toro® Fittings

## FEATURES & BENEFITS

### All Toro Fittings

- Superior quality & performance
- Easy to install & tight seal
- Easy to grip nuts & valves

### 6/8" Fittings – Support new Sweet Spot™ tape applications

- Only 6/8" fittings available in the industry
- Available in popular configurations to enable:
  - Longer runs than 5/8" applications
  - Lower cost than 7/8" applications

### Flex Connect Layflat Fittings – The easiest layflat fitting to install, remove, & reuse

- More spacing flexibility than hose with pre-installed fittings
- Fast and easy installation\*
- Less leaking\*
- Removable fitting & seal cap enable layflat to be easily re-rolled
- Wide range of configurations

*\*Compared to ordinary layflat fittings*

## APPLICATION

With Toro's new line of fittings, growers get easy-to-install, superior quality fittings in popular configurations for enhanced flexibility and design. Growers also get a revolutionary Layflat fitting design and 6/8" tape fittings to support new, cost-effective 6/8" tape applications. All fitting configurations are designed to last for the life of the system while making grower's lives easier, more flexible, and more profitable.
