## The Toro Company

Since 1914, Toro's heritage has been rooted in durable commercial equipment. Beginning with the first Toro machine ever built, we have been committed to creating durable and reliable equipment to help professionals do their job better and faster. Toro turf equipment continues to provide the enduring performance and quality required to establish and maintain an impeccable image.

## Region 4 Education Service Center

Toro is proud to be awarded a national cooperative contract available for "piggybacking" by agencies via Region 4. The lead agency soliciting and awarding this contract was established in 1967 by the State of Texas under Chapter 8 of the Texas Education Code. Toro's contract number is R141201. The award includes discounts on equipment, attachments, and accessories for Commercial, Landscape Contractor, Compact Utility, and Irrigation products. For details on the award, visit [www.nationalipa.org](http://www.nationalipa.org) or contact your Toro representative. There is no fee and no obligation to participate.

## Award Highlights
