

GeoLink® AS (AutoSteer)

MULTI PRO® 5800

F E A T U R E S

- Allows operator to utilize GPS guided steering, ensuring that the machine follows the optimal next pass
- Ability to store contoured and straight travel paths bringing efficiency and productivity gains to any area, no matter the shape
- Exclusively available for model year 2016 and newer Multi Pro 5800 sprayers equipped with GeoLink

Less Overlap, Less Overtime.

Now available, the Toro GeoLink Spray System with Auto Steer for the Multi Pro 5800, virtually takes operator error out of the equation.

With the touch of a button, GPS-guided steering takes over, ensuring full boom utilization for even more accuracy and time savings. And the onboard nudge feature helps reduce turf wear by varying the travel path from application to application.
