

The TORO logo is displayed in white, bold, sans-serif capital letters within a red rounded rectangular background.

Turf Aerator 686/687

TOW-BEHIND LARGE AREA AERATORS

F E A T U R E S

- Productive 78" (198 cm) aeration swath
- Aerate up to 10 mph (16.1 km/h)
- Slicing and core aerating tines available
- 3-point (687) or tow type (686)

Productive Aeration. Simple Design.

The 686 and 687 Turf Aerators are an efficient and effective way to aerate large turf areas. Designed with 70 pound (31.75 kg) cast wheels and a unique floating head design, these aerators give excellent depth and ground following capabilities. For highly compacted or unusually uneven grounds, the included weights can be added to the rear of the aerators to improve tine penetration.

Toro Turf Aerator 686

Turf Aerators 686 & 687

The 686 and 687 Turf Aerators give excellent depth performance and follow ground contours, vertically and horizontally, like no other aerator available.
