# Reelmaster® 5010-H features

# Welcome to the Future of Hybrid Mowing!

## Exclusive Hybrid Drive System

PowerMatch technology enables the Reelmaster 5010-H to seamlessly match the power generated to the power required for traction and cutting based on the mowing conditions.

## Significantly Reduced Maintenance

The move from hydraulic to electric cutting units eliminates hoses, fittings and fluid along with over 100 potential leak points.

## Proven Reliability & Performance

Built on the time-tested Reelmaster 5010 Series platform, the Reelmaster 5010-H delivers exceptional durability, high performance, versatility and comfort.

## Save 20% of Fuel Costs on Average

With an average fuel savings of 20% over comparably equipped conventional mowers, and an economy mode that can save substantially more, the Reelmaster 5010-H is easy on your budget.

## Precise Monitoring & Control

The onboard InfoCenter™ provides precise control of reel speed and clip rate. In addition, the technician has access to system information, alerts, service reminders, diagnostics and more.

## Superior Aftercut Appearance

Electric cutting unit motors permit precise and consistent reel speed and clip rate control.

# The New Reelmaster® 5010-H A True “Game Changing” Hybrid Fairway Mower

The new Reelmaster 5010-H Fairway Mower features exclusive PowerMatch™ Technology to seamlessly deliver the power you need, when and where you need it, for flawless fairway playing conditions. In fact, the Reelmaster 5010-H can readily deliver over 40 horsepower on-demand for climbing steep hills, verticutting or scalping.

You shouldn't have to sacrifice mowing power to realize true efficiency and labor savings. Three years of real-world field testing have proven not only that the Reelmaster 5010-H has the power to perform in the most rigorous golf course conditions, but it also saves you significant time and money. In short, the Reelmaster 5010-H is a true “game-changer”.

## Interchangeable Cutting Units

Interchangeable 5 or 7 inch cutting units, in either 8 or 11 blade configurations, allows you to create the perfect cut for a wide range of turf conditions.

## Choose from a full range of 5010-H Attachments and Accessories

A wide range of attachments are available including groomers, rear roller brushes, grass baskets, a sunshade and our CrossTrax® all-wheel-drive system – to name a few.
