Premium Extended Life Performance, Double the Life.

New extended life PX Hydraulic Fluid is another great innovation from Toro. This new premium hydraulic fluid performs better and lasts longer than conventional fluids. This means your equipment will run more smoothly and require fewer hydraulic fluid changes saving you time and money – up to 71%. Most 2019 and newer Toro commercial equipment come factory filled with Toro PX Hydraulic Fluid and have change intervals twice as long as previously...up to 2000 hours!

See the Toro equipment operator’s guide for your equipment’s specific maintenance interval. Not Compatible with hydraulic systems using tractor fluid.
