

Count on it.

**Turf Equipment Technician
Service Education Information**

February 18 - 20, 2014

February 25 - 27, 2014

Program cost will be \$900 per person if registered a minimum of 15 days in advance of the session. (\$1000 if registration is 14 days or less before the session) This includes three nights lodging, a Monday evening reception, breakfasts, lunch each day and dinner Tuesday and Wednesday. Also included are all program materials, transportation from the hotel and Toro. Transportation to Minneapolis, any additional nights lodging, other meals or incidentals will be the participant's responsibility. Billing will be through the distributorship.

Any additions or deletions to these program outlines will be posted on www.toro.com under the Golf Course Management or Sports Fields and Grounds, Customer Care, Education and Technical Reference.

These training programs include an increased focus on the practical application of the skills taught. Each of these programs will include in-shop, hands-on exercises, allowing the participants the opportunity to put into practice the skills and procedures discussed during the session. This will allow the participant to experience the procedures, techniques, and tools used, fully reinforcing the presented information.
