

POWER TRX HEAVY-DUTY

TRACKED TWO-STAGE SNOW BLOWERS

When a monster storm is roaring in, you need a beast of a snow blower to roar back.

Winter gets out of your way as you throw snow 60+ feet. It all starts with a single-button, electric start. This is our biggest engine for your biggest, snowiest jobs on long driveways, up slopes and through the teeth of winter.

POWER TRX HEAVY-DUTY TWO-STAGE

IDEAL FOR Extra-large driveways, heavy accumulation and making quick work of 10"+ snow

UNMATCHED STABILITY

Track driven allows you to clear snow from the toughest terrain and steepest slopes.

SMOOTH HANDLING AND LOW MAINTENANCE

Hydrostatic transmission allows for self-propelled operation with infinitely variable speed.

ADJUST WITH EASE

Push the Quick-Adjust auger housing lever to adjust your housing up for climbing and transport, flat to blow snow off a driveway or down to dig deep snow.
