

WALK POWER MOWERS
TIMEMASTER® / SUPER RECYCLER® / RECYCLER®

RECYCLER®

SMART FEATURES,
EASIER MOWING

Keeping your lawn looking lush and healthy shouldn't be hard work. Toro Recycler® mowers make it easy. You'll spend less time emptying grass bags and have more peace of mind knowing your Toro mower is built to last.

SPACE SAVING

More room for toys – SmartStow engine technology allows for convenient upright storage, saving up to 70% floor space. (select models)

USER FRIENDLY

Built with user friendly features at a great value like a guaranteed to start engines that never need an oil change. (select models)

EASY TO USE

PoweReverse™ now propels the mower backwards or forward, all at your preferred walking speed. (select models)

SUPER RECYCLER®

EXTRAORDINARY DURABILITY,
AMAZING RESULTS

Generations have counted on Toro mowers for lasting performance and a yard they can always be proud of. Now it's your turn to own a piece of that legacy. Today's Super Recycler® mowers offer the same commercial-grade toughness we've always been known for, along with advanced features for the best cut in the neighborhood. It's a choice you'll be glad you made for a very long time.

PREMIUM PERFORMANCE

Super Recycler deck features a uniquely designed cutting blade, a clipping accelerator, and kickers that circulate, suspend, and re-cut clippings into a fine mulch that can be easily and quickly broken down releasing nutrients back into the soil.

SURPRISING COMFORT

Shock-absorbing handle reduces jolts and vibrations felt by the operator's hands when mowing over uneven terrain. (select models)

UNMATCHED RELIABILITY

The Toro engine was designed to deliver reliable power and is easy to use with our 5-year guaranteed to start engine warranty promise. (select models)

TIMEMASTER®

THE MOWER YOUR
NEIGHBORS WISH THEY HAD

You really can mow your big yard in little time. The Toro TimeMaster's 30" wide cutting deck delivers a quality cut in nearly half the time of smaller mowers*. You'll be the envy of the neighborhood — not only because you'll have a beautiful lawn, but also because you'll have the free time to enjoy it.

GET THE JOB DONE FASTER

30" deck with two high-lift Atomic blades® allows you to reduce mowing time by up to 40%* leaving more time to enjoy your yard.

MAXIMUM CONVENIENCE

Stop the blade, but not the engine while you to step away from the mower to remove debris from your yard without having to pull the recoil cord to restart the engine.

HEAVY DUTY DEPENDABILITY

Combines professional-grade features, power, performance and ease of use with our 3-year guaranteed to start engine warranty promise.

*Based on average TraQline dollar share for walk behind mower market from 2015 – July 2018

See retailer for complete warranty details.

^Time savings via wider cutting path and enhanced speed of TimeMaster vs. 21" Toro mower, and will vary due to mowing conditions.

THE RECYCLER ADVANTAGE

TIME SAVING

Spend less time emptying grass bags

BENEFICIAL TO YOUR TURF

Nutrient-rich clippings are returned to the soil where they quickly feed the roots for a healthy, lush garden

ENVIRONMENTALLY FRIENDLY

No need for disposal, which eliminates transportation costs and landfill use

USE 75% LESS FERTILIZER per year***

REDUCE RUNOFF by improving water infiltration by 12%

Yards are 15% HEALTHIER

***In studies comparing returning clippings to the ground vs. collection
