

# SNOWBLOWER PRODUCTS

GAS / ELECTRIC

\*Based on average Traqline unit share for snowblower market from 2013 – October 2017

# LOVE CAN BE COLD.

Winter weather is tough enough. Make snow removal easy with a powerful Toro® snowblower. From the electric Power Shovel to the heavy-duty Power Max® HD, our snowblowers combine outstanding durability with advanced technology so you can clear snow like a pro. With Toro, reliability is built in — so you can count on performance winter after winter. It's a choice you'll be glad you made every time it snows.

## MORE PRODUCTIVITY

### POWER CURVE® TECHNOLOGY

A curved rotor and inverted funnel housing help move more snow in less time and virtually eliminate clogging.

*Standard on electric and all single-stage models.*

### ANTI-CLOGGING SYSTEM (ACS)

Reduces clogging while maximizing impeller speed and snowblowing velocity.

*Standard on all two-stage models.*

## MORE DURABILITY

### HIGH-STRENGTH AUGER GEAR BOX

Special hardened gears designed to withstand the highest stresses provide worry-free performance.

*Standard on all two-stage models.*

### **MORE POWER FOR HEAVY SNOW**

Toro's snow engines give you the performance you need to clear snow quickly and efficiently. The heavy flywheel delivers more inertia under load to help the engine plow through heavier snow. And just like our mower engines, snow engines have a special governor design that delivers fast power when you need it most.

**Blue** MEANS MORE FOR YOU WITH **Smart Features** FROM TORO

Look for this blue icon throughout the brochure pointing you to innovative and smart features from Toro.

### **MORE EASE-OF-USE**

#### **STEEL CHUTE**

The 100% steel chute construction means this snow blower is built to last.  
*Select models.*

#### **» QUICK STICK® CHUTE CONTROL**

An innovative joystick control allows you to change the chute and deflector direction quickly and easily, even on the go.  
*Standard on all two-stage models.*

#### **PERSONAL PACE® SELF-PROPEL**

Toro's innovative Personal Pace self-propel system automatically senses and adapts to your walking speed.  
*Standard on Snowmaster® models.*

POWER MAX® HD

NEW FOR 2018!

TWO-STAGE SNOWBLOWERS

MEET OUR BIGGEST

# BLIZZARD BUSTER YET

## MORE PRODUCTIVITY

### LARGE CLEARING WIDTHS TO GET THE JOB DONE FASTER

With clearing widths up to 32" the Power Max HD will reduce the number of trips up and down your driveway.

## MORE DURABILITY

### ANTI-CLOGGING SYSTEM

The only system to allow the impeller to automatically reroute excess snow away from the chute and back into the auger to reduce clogging.

### ALL STEEL CONSTRUCTION

Everything from the housing, frame, ACS, and chute are 100% steel construction, meaning this snow blower is built to last.

# NO DRIFT TOO LARGE OR DRIVEWAY TOO LONG

For those who care about what's under the hood as much as what's outside it, Toro's new Power Max® HD won't disappoint. From bigger engines to beefy all-steel construction, we haven't just pushed the limit — we've broken right through. This hungry beast devours snowdrifts that would choke the competition. Plus, it's loaded with features that turn a dreaded chore into a task so efficient, you just might feel like tackling the whole neighborhood.

## POWER MAX HD

### IDEAL FOR:

- Concrete, Asphalt and Gravel Surfaces
- 6+ Car Driveways
- Snow 6+” / 15+ cm Deep

See your dealer for full details on warranties.

## MORE EASE-OF-USE

### COMMERCIAL-GRADE AUGER GEAR BOX

Special hardened gears are designed to withstand the highest of stresses. No shear pins are needed, so there are none to replace.

### POWER STEERING

Turn on a dime! Wheels can be disengaged independently or simultaneously with trigger controls, making turning, reversing, and steering easy for anyone.

### QUICK STICK® CHUTE CONTROL

Reinforced with metal rod, innovative joystick control changes chute direction on the go.

**POWER MAX®**

TWO-STAGE SNOWBLOWERS

# SHOW DEEP SNOW WHO'S BOSS

## MORE PRODUCTIVITY

### POWERFUL ENGINES

Smooth Toro 252 cc 4-cycle OHV engines have been tuned specifically for these models to deliver powerful, responsive performance.

### ANTI-CLOGGING SYSTEM

The only system to allow the impeller to automatically reroute excess snow away from the chute and back into the auger to reduce clogging.

## MORE DURABILITY

### STEEL CHUTE

The 100% steel chute construction means this snow blower is built to last.

*Select models.*

# IMPRESSIVE IN ANY KIND OF SNOW

Blizzard in the forecast? No worries. Toro Power Max two-stage snowblowers are made for tough conditions. With durable components and a patented Anti-Clogging System (ACS), they make quick work of hard, compressed snow. They're also compact and easy to handle. It's the perfect mix of Toro dependability and snow-clearing muscle for longer driveways and heavier snowfalls.

## POWER MAX

### IDEAL FOR:

- Concrete, Asphalt and Gravel Surfaces
- 4-10 Car Driveways
- Snow 6" to 20" / 15 cm to 51 cm Deep

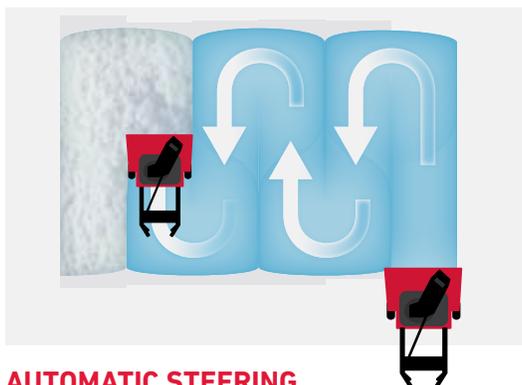

See your dealer for full details on warranties.

## MORE EASE-OF-USE

### HIGH-STRENGTH AUGER GEAR BOX

Special, hardened gears are designed to withstand the highest of stresses and provide worry-free performance — no shear pins needed.

### AUTOMATIC STEERING

New design allows smooth, tight turning without pulling or straining — no triggers or levers required.

*Power Max® 37799 only.*

### QUICK STICK® CHUTE CONTROL

Innovative joystick control allows you to change chute direction and angle quickly and easily on the go.

**SNOWMASTER®**

# CUT TIME OFF YOUR **COLDEST CHORE**

## **MORE PRODUCTIVITY**

GET BACK TO IT  
UP TO  
**30%**  
FASTER  
THAN A TRADITIONAL TWO-STAGE\*

### **CUT SNOW CLEARING BY 30%\***

Clears 25% more snow per minute, cutting your snow clearing time by 30%, getting you back in your house and out of the cold faster.

### **SNOWMASTER AUGER TECHNOLOGY**

Tall, open auger housing is free of obstacles and reduces clogging in deep snow. The all-steel rotor has a helical design — which quickly breaks up and gathers snow to the center section to throw snow far through its tall chute opening.

## **MORE DURABILITY**

### **UNIBODY FRAME**

Added durability with a one piece welded frame.

# THE BEST OF BOTH WORLDS

Looking for a snowblower that's easy enough for anyone to handle yet still powers through tough end-of-driveway snow? The new SnowMaster is for you. This innovative design delivers impressive power, amazing maneuverability and user-friendly controls. It all adds up to clearing **25% more snow per minute, which can save you 30% more time\*** and get you back in the warmth, faster.

## SNOWMASTER

### IDEAL FOR:

- Concrete and Asphalt Surfaces
- 4-10 Car Driveways
- Snow 6" to 18" / 15 cm to 46 cm Deep

See your dealer for full details on warranties.

## MORE EASE-OF-USE

### GUARANTEED FOR LIFE

Chute, deflector and ACS are made of a special cold-weather material durable to -104° F and guaranteed for life (original owner only). It is also rust-free so there is no binding and snow and ice won't stick.

### EASY TO MANEUVER

Toro's innovative Personal Pace® self-propel system automatically senses and adapts to your walking speed, and automatic steering allows easy turning.

### QUICK STICK® CHUTE CONTROL

Quick Stick® chute control lets you change chute direction and angle on the go with one hand.

**POWER CLEAR®**

SINGLE-STAGE SNOWBLOWERS

# MAKE THE **CLEAR CHOICE**

## **MORE PRODUCTIVITY**

### **POWER CURVE® TECHNOLOGY**

Curved rotor and inverted funnel housing efficiently remove snow while reducing clogging.

### **POWER PROPEL™ SELF-PROPEL SYSTEM**

Reduce your effort while clearing down to the pavement. The innovative pivoting scraper keeps the rotor in constant contact with the ground, self-propelling the snowblower through the snow.

*Select models only.*

## **MORE DURABILITY**

### **POWERFUL ENGINES**

Smooth Toro 99 cc and 212 cc 4-cycle OHV engines have been tuned specifically for these models to deliver powerful, responsive performance.

POWER CLEAR® 721

## GET YOUR DRIVEWAY BACK

As our best-selling models, Power Clear snowblowers are strong enough to take on serious snow, yet easy for anyone to maneuver. And with Toro's 2-Year Guaranteed to Start Warranty\*, you're ready for whatever winter has in store. You'll appreciate a clear driveway down to the pavement when you're done.

### POWER CLEAR IDEAL FOR:

- Concrete and Asphalt Surfaces
- 4-8 Car Driveways
- Snow 2" to 9" / 5 cm to 23 cm Deep

POWER CLEAR® 518

\*See your dealer for full details on warranties.

## MORE EASE-OF-USE

### HEAVY-DUTY DRIVE BELT

Featuring a wider belt to transfer more torque and maximize life.

### QUICK SHOOT CONTROL SYSTEM

Just squeeze the trigger and slide the grip to change the chute direction without slowing down.

*Select models only.*

### ZIP DEFLECTOR

Throw snow high, low or in-between. The deflector locks into any angle in less than a second-with just a touch of your hand.

*Select models only.*

# POWER SHOVEL / POWER CURVE®

ELECTRIC SNOWBLOWERS

## POWER YOU NEED WITHOUT THE MAINTENANCE

### YOUR SHOVELING DAYS ARE OVER

Toro's compact electric snowblowers are lightweight and easy to store for clearing your deck, sidewalk or patio. But don't let the compact size fool you. **These models are powerful enough to throw snow up to 30 ft and clear down to the pavement.** They're also maintenance-free, which means there is no gas and oil to mix. Just plug them in and go.

#### POWER CURVE

##### IDEAL FOR:

- Concrete and Asphalt Surfaces
- Sidewalks and Decks
- 2-4 Car Driveways
- Snow 2" to 6" / 5 cm to 15 cm Deep

POWER SHOVEL

1800 POWER CURVE

#### POWER CURVE TECHNOLOGY

Curved rotor and inverted funnel housing efficiently remove snow while reducing clogging.

See your dealer for full details on warranties.

#### TELESCOPING HANDLE

Height adjustment of 6" (15 cm) to fit any user.

#### QUICK CHUTE LEVER

Aim snow on the go with no cranking needed.  
*Standard on 1800 Power Curve.*

#### POWERFUL PERFORMANCE

The lightweight Power Shovel throws snow up to 20' while the 1800 Power Curve throws snow up to 30'.

# GET THE MOST FROM YOUR SNOWBLOWER

Protect the reliability of your snowblower with parts designed specifically for your Toro® model. Genuine Toro parts are made from premium materials and engineered to enhance the safety and performance of your Toro equipment. Plus, every part we ship comes with a one-year full warranty.

## BLADES / PADDLES

**Extended life paddles** replace your worn single-stage paddles with thicker, heavy-duty paddles designed to last up to twice as long. *Standard paddles are also available as replacement parts.*

PART#	DESCRIPTION	CATEGORY
38205	Extended Life Paddle Kit	Power Clear 21"

## TORO® 4-CYCLE WINTER OIL & PREMIUM FUEL TREATMENT

PART#	DESCRIPTION
131-6572	Toro Premium Fuel Treatment – 12 oz
38907	Toro 4-Cycle Winter Oil 5W30 – 12 oz bottle
38908	Toro 4-Cycle Winter Oil 5W30 – 20 oz bottle
38910	Toro 4-Cycle Winter Oil 5W30 – 32 oz bottle
38913	Toro Full Synthetic Winter Oil 0W30 – 20 oz bottle

## TORO SNOW MAINTENANCE KITS

Kits include: Toro Oil, 12 oz. Toro Premium Fuel Treatment and a spark plug.

PART#	DESCRIPTION
138-0698	18" Power Clear
138-0699	21" Power Clear & SnowMaster
138-0702	Power Max & Power Max HD
138-0704	Power Max HD (Toro engines)
138-0710	Power Max HD (Briggs & Stratton® engines)

## TORO ALL SEASON FUEL

Ethanol free fuel, engineered for maximum performance. Highly recommended for gas engines to maintain smooth performance.

PART#	DESCRIPTION
131-3823	4-Cycle Fuel
131-3824	2-Cycle Fuel

## PROTECTIVE COVERS

Protect your snowblower with a water-, abrasion- and tear-resistant cover.

PART#	DESCRIPTION
490-7464	Single-Stage Toro Cover
490-7466	2-Stage Toro Cover (Up to 28" clearing width)
490-7415	2-Stage Toro Cover (28" to 32" clearing width)

## SNOW CAB

Protects you from the frigid wind and snow. Heavy-duty vinyl with clear, freeze-resistant windows. *Now fits both Power Max & Power Max HD*

PART#	DESCRIPTION	CATEGORY
127-5960	Snow Cab	Power Max Power Max HD
107-3815	Weight Kit (used with snow cab)	

## TIRE CHAINS

Provides additional traction and helps keep drive wheels from slipping in heavy snow and icy conditions. Great for sloped surfaces.

PART#	DESCRIPTION	CATEGORY
38214	13" Tire Chains	Power Max® with 13" x 4" Tires
38215	16" Tire Chains	Power Max HD
107-3813	15" Tire Chains	Power Max with 15" Tires

## DRIFT BREAKER KIT

Breaks down drifts in front of auger housing, minimizing snow accumulation across the top of the housing.

PART#	DESCRIPTION
38213	Power Max
107-3816	Power Max HD 26"
107-3817	Power Max HD 28" & 32"

## SKIDS

Extra wide .5" **heavy-duty cast iron skids** provide maximum life and reliability. You can also protect your driveway and sidewalk surfaces by using **non-marking poly skids**. *Both are reversible for double the life.*

PART#	DESCRIPTION	CATEGORY
130-9619	Standard Skid	SnowMaster® 724 ZXR, 724 OXE & 824 OXE, 36001/36002/36003
