TWO-STAGE  
SNOWBLOWERS<sup>1</sup>

#### HANDLES WET, HEAVY SNOW

Tall, open auger housing, free of obstacles reduces clogging in deep snow. The all steel rotor has a (1) helical design which quickly breaks up and gathers snow to the (2) center section that throws snow far through its tall chute opening.

#### QUICK STICK® CHUTE CONTROL

Innovative joystick control allows you to change chute direction and angle quickly and easily, on the go. (Select models only.)

#### EZ TURN CHUTE CONTROL

Easily change chute direction with one hand. (Model 36001 only.)

#### PERSONAL PACE® SELF PROPEL

Toro's innovative Personal Pace® self-propel system automatically senses and adapts to your walking speed.
