

60V MAX^{*} FLEX-FORCE[™] MOWERS

MOST POWERFUL BATTERY IN ITS CLASS[†]

DOES EVERYTHING GAS CAN MINUS THE GAS CAN

Toro 60V Flex-Force mowers offer all the legendary performance and durability you expect from a Toro. Best of all, batteries are compatible with more than 50 other products in Toro's Flex-Force yard tool lineup.

POWER TO GET THE JOB DONE

Tackle any job in a single charge with the most powerful battery in its class and mow up to 50 minutes on a single charge. Plus enjoy more power and longer tool life with a brushless DC motor.

LIGHT & BRIGHT, STARTS THE FIRST TIME EVERY TIME

With push-button start, dual LED headlights and battery power, you're equipped to get the job done anytime of day or night. *Select models.*

^{*}Battery manufacturer rating = 60V maximum & 54V typical usage. Actual voltage varies with load. [†]Compared to leading 60V battery-powered outdoor power equipment brands. Maximum battery power output measured in watts, based on battery cell manufacturer's rating. Actual power output dependent on tool used and use conditions. [‡]Run time varies based on usage conditions. Max run time specs based on light conditions and/or lowest speed settings. [§]Space savings are in relation to the space consumed by a Toro 22" walk power mower stored with the handle in the standard operating position. ^{**}See dealer for complete warranty details.
