

## ZERO-TURN MOWERS

TITAN® / TIMECUTTER®

### TITAN® ZERO-TURN MOWERS

# WIDE OPEN LIVING

## COMMERCIAL-GRADE NEVER FELT SO GOOD.

With roots dating back to 1914, Toro was built on a tradition of quality products and caring relationships. Our machines feature the same technology professionals depend on to do the job right the first time, every time. The result? A beautiful, professional looking lawn from a company whose innovations have been the heart and soul of America's mowing technology for more than a century. Count on it.

### PRO DNA

Commercial DNA courses through these machines' veins with the same technology professionals depend on.

### CUT LIKE THE PROS

Commercial-grade features include commercial drop pin height of cut, canister style air filter, and a rubber chute.

### PRO PERFORMANCE

Blades spin over 18,000 fpm and baffles and airflow disperse grass for no clumps.

### BUILT LIKE A BULL

IronForged® high strength grade 50, 10-gauge steel deck with bull nose reinforced leading edge.

See retailer for complete warranty details.

### MyRIDE® SUSPENSION SYSTEM

## TAKE THE ACHE OUT OF ACREAGE.

The smooth MyRIDE Suspension System features a suspended operator platform that cushions you from bumps and vibrations, so you can be more productive and stay comfortable. MyRIDE keeps you perched above the action, and any body blows from your lawn are absorbed by the mower, not you.

You'll not only love the ride, but your muscles will thank you, too.

490-0394 ©2020 The Toro Company All Rights Reserved. Specifications subject to change without notice and without incurring obligation. Products depicted are for demonstration purposes only. Actual products offered for sale may vary in design, required attachments and safety features. \*The gross torque of this engine was laboratory rated at 2800 RPM per SAE J1940 by the engine manufacturer. As configured to meet safety, emission and operating requirements, the actual engine torque on these mowers may be significantly lower. We reserve the right to improve our products and make changes in the specifications, designs and standard equipment without notice and without incurring obligation. \*\*See retailer for complete warranty details. \*Compared to regular 11-gauge steel decks. Deck shell and leading edge are made of high-strength 10-gauge steel.
