

Sentinel® Renewal Plans

NSN® SALES

All the support you need. Anytime you need it.

Whether you are looking for a technology upgrade for your TORO Sentinel central control system or you want the continued confidence of 24/7/365 technical support (or both), Toro NSN offers extended renewal plans to keep your system up and running and your landscapes in top condition. Our Plans protect your irrigation investment and give you the operational assurance you need at a price that fits your budget. It's easy to renew — call, fax, or e-mail us today.

TotalCARE for Customers who are operating their Sentinel System using a TORO-branded central controller **(NSN's industry-first One Call solution for technical support and component warranty)**
