Water resistant quick connect

Easily installs in standard cup hole

Ratcheting height adjustment

Illumi-Cup™ *Golf Light* *Odyssey Series*

One of our most unique fixtures in the Odyssey Series, the Illumi-Cup™ offers nighttime golf for any putting green! The Illumi-Cup brightly illuminates the flag and the standard size golf cup to extend your hours of golfing fun and practice.

Comes with a water resistant quick-connect which allows for servicing the fixture without disturbing the putting green. Long-life LEDs will provide years of service with very low energy consumption.
