

INSPIRED OUTDOOR LIVING

INSPIRA™ LOW VOLTAGE LANDSCAPE LIGHTING

VAN GOGH • Area Light

INSPIRA provides endless possibilities to amplify the beauty of natural textures, landscapes or architectural features.

- INSPIRA low voltage lighting integrates CCT and RGB adjustability making it the ideal lighting design series for endless inspiration and unparalleled lighting portrait possibilities.
- Compatible with the SMRTscape™ app, enabling mobile device programming, adjustment and control from anywhere at anytime.
- Use SMRTscape to adjust INSPIRA fixture beam angles, beam spread, color temperature or lens color to create one-of-a-kind, custom lighting designs using your mobile device.

Color adjustment from red to green to blue and anywhere in between.

For use with the SMRTscape™ app

Infinite Color Possibilities
