PALADIN™ Wall Wash Light

The Paladin™ is a solid brass wall wash light engineered for smooth, uniform illumination across architectural surfaces. Designed to enhance stone, brick, stucco, and textured facades, it delivers a broad, controlled spread with minimal hot spots and balanced vertical coverage. An adjustable directional knuckle allows precise field aiming across a variety of mounting heights and setback distances. Compatible with *Flex Gold®* G4/T3 lamps or Vivid® T3 for advanced color control and individually addressable lighting.
